# KICKSTART YOUR HIRING

TEEMA Accounting & Finance, a division of TEEMA Solutions Group, understands that pairing the right talent with the right company starts with true knowledge of accounting & finance – not just being able to match skills with a job description. At TEEMA – we understand the job because many of our recruiters were former A&F professionals themselves. Our in-depth knowledge of GAAP, taxation, and corporate finance gives us a deep understanding of our client's needs. Our track record proves it. We've placed accounting & finance talent in organizations ranging from venture-backed startups, to governmental organizations, all the way up to Fortune 100 global conglomerates. With the ability to satisfy both full-time and temporary placements throughout North America, there's no reason to use anybody else.

### The TEEMA Difference

TEEMA is one of the fastest growing staffing and recruiting firms in North America. It was clear that there needed to be a change in the staffing and recruiting industry. Clients were becoming unhappy and recruiting firms experienced constant turnover. That's why we created TEEMA – to provide the best service to clients, consultants, and candidates. Due to our unique entrepreneurial business model, TEEMA boasts the most senior staffing and recruiting experts in the industry. Because our recruiters are only compensated when they find a talent solution for our clients, our recruiters have the incentive to provide quality of candidates; not quantity of candidates. No unneeded volume - only top-notch and targeted talent. With over 200 new clients and thousands of placements per year, why not make TEEMA Group your one-stop solution for your staffing and recruiting needs? If you're interested in learning more about working with us, please email [info@teemagroup.com](mailto:info@teemagroup.com) or check us out online at [www.teemagroup.com](http://www.teemagroup.com).

### We Give Back

TEEMA is a proud supporter of Habitat for Humanity's Global Village Program. A portion of every contractor hour billed through TEEMA is donated to Habitat to help build homes for those in need around the world.
