

KICKSTART YOUR HIRING

TEEMA Technologies, a division of TEEMA Solutions Group, understands that pairing the right talent with the right company starts with true knowledge of the technology you use, the market in which you operate, and the corporate culture you exhibit. At TEEMA, we understand what's important because your success is our success. Our track record proves it. We've placed technology talent in organizations ranging from venture-backed startups, to governmental organizations, all the way up to Fortune 100 global conglomerates. With the ability to satisfy both full-time and temporary placements throughout North America, there's no reason to use anybody else.

The TEEMA Difference

TEEMA is one of the fastest growing staffing and recruiting firms in North America. It was clear that there needed to be a change in the staffing and recruiting industry. Clients were becoming unhappy and recruiting firms experienced constant turnover. That's why we created TEEMA – to provide the best service to clients, consultants, and candidates. Due to our unique entrepreneurial business model, TEEMA boasts the most senior staffing and recruiting experts in the industry. Because our recruiters are only compensated when they find a talent solution for our clients, our recruiters have the incentive to provide quality of candidates; not quantity of candidates. No unneeded volume - only top-notch and targeted talent. With hundreds of clients using us on an annual basis, and thousands of placements per year, why not make TEEMA your one-stop solution for your staffing and recruiting needs? If you're interested in learning more about working with us, please email info@teemagroup.com or check us out online at www.teemagroup.com.

We Give Back

TEEMA is a proud supporter of Habitat for Humanity's Global Village Program. A portion of every contractor hour billed through TEEMA is donated to Habitat to help build homes for those in need around the world.
